Defendant.	)	

Plaintiff, by and through its attorney of record, and Defendant, by and through its attorneys of record, hereby stipulate, subject to the approval of the Court, to again extend the date of the initial case management conference in the above-captioned matter from December 9, 2010, at 1:30 p.m., to February 10, 2011, at 1:30 p.m. The parties continue to make progress toward resolving this matter without the need for further litigation and are optimistic that with additional time, this progress will continue and resolve the case. On November 15, 2010, Defendant released numerous responsive documents to Plaintiff. There remain some documents outstanding, which the parties expect to meet and confer about shortly to determine whether they need to be searched for and released by Defendant. The parties believe that the requested extension of the date of the initial case management conference will greatly aid their settlement

discussions while minimizing the costs to the parties and without unnecessarily utilizing the Court's time and resources.
